Predator Rules

Perch and Pike Rules

- A valid membership card and rod license must be carried at all times. Failure to produce either and you will be asked to leave to venue.
- No live baits.
- No fish to be removed from the venue.
- A suitable sized net and unhooking mat must be carried (and used for bigger fish) at all times. This rule applies to all forms of lure fishing.
- No use of lip grip devices for handling, unhooking, weighing or retaining fish. An instant ban if found using this tool.
- Fish must be handled, weighed and photographed close to the ground (No standing)
- Adequate long nose unhooking tools must be carried and used. Failure to produce such tools will result in an instant ban.
- Fish must be returned to the water straight away.
- Pike season as per individual venue dates (see venue rules)
- Static bait fishing rod limit per venue rules. One rod rule when lure fishing. All rods must be in one swim.
- Barbless/semi barbless hooks including trebles. Maximum of 2 trebles per trace. No hand lines.
- Static pike fishing minimum 15lb line-30lb trace. No braided main line.
- Lure fishing - minimum 10lb line/brain and 10lb fluorocarbon leader.
- All new pike anglers must be accompanied by an experienced predator angler. Perch fisherman will catch pike so the same rule applies.
- Members must report any illegal fishing or evidence of illegal fishing to the fishery manager/bailiff immediately.
- Early striking of the rod is advised.
