## Tactical Briefing

### RIVER COLNE, DENHAM, BUCKINGHAMSHIRE

**DESCRIPTION.** Uxbridge Rovers ACS control 1.5 miles of this picturesque, meandering river, with many varying swims. Fishing is on alternating banks, in between the boundary markers. There are some fine chub here, including samples to 6 lb 2 oz. Also present are pike to 15 lb, bream to 6 lb, eels to 5 lb, perch to 3 lb, roach to 1 lb 8 oz and dace to 12 oz. There is a chance of a decent barbel too.

**TACTICS.** Chub fall to a variety of methods depending on river conditions. A small maggot feeder, a link leger or trotting with a float set-up can score. The latter scores roach and dace too. Bream generally fall to the feeder or a straight

legered pellet or redworm. Pike to float or legered sea deadbaits.

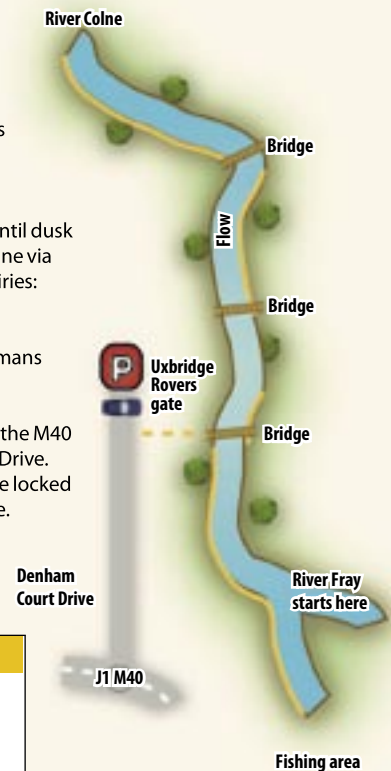

**GOOD SWIMS.** Pegs 1-5 and 29 are excellent chub swims.
