- Predator rules apply
 - <https://www.uracs.co.uk/downloads/uracs-predator-rules.pdf>
- The Aquadrome gate opening hours from 1st May until 30th September 8am – 9.30pm. From 1st October – 30th April 8am – 6pm. Gates will be locked promptly. Anglers do not have access to keys.
- Anglers should park in the Aquadrome car park or surrounding streets depending on parking restrictions. Cars/motorcycles/quads must NEVER be driven around the lakes pathways. The same applies to your visitors. You are responsible for your visitors.
- Day fishing times are permitted to one hour before sunrise until one hour after sunset.
- Night fishing allowed only to those anglers aged 18 and over who purchase the necessary night ticket .
- A single bucket can be left in a swim to reserve it for a MAXIMUM of 20 minutes. This is to allow anglers time to fetch their tackle from their car, NOT to continue walking the lake. Any issues contact the Bailiff team.

- Before fishing please take the time to politely talk to any members fishing near where you plan on fishing to discuss where they are. A little common sense goes a long way here. Any problems contact a bailiff or the fishery manager. Bailiffs decision is final
- Regular rig checks will take place .
- All anglers should carry a LARGE padded unhooking Mat or Cradle , a Carp Care Kit and a minimum of 42" landing when targeting Carp and we encourage anglers to treat any minor injuries. Any more serious injuries should be reported to either the fishery manager or Bailiff team BEFORE returning the fish!
- ALL fish deaths should be reported to the Fishery manager or Bailiff team straightaway.
- NO BBQ'S BBQ Trays or Fires! No exceptions! This rule applies to any visitors to the aquadrome and is enforced by the council.
- Please keep radios and tablets on a low volume.
- The use of bait boats is not permitted.
- The use of Drones is not permitted.
- The use of Boats is strictly not permitted.
- Wading is not permitted. The margins drop off very quickly in places. Safety first.
- No access is permitted to the island.
- No fishing over the ski boat buoy cables! The buoys are connected under the water by cables. These cables run the length of the lake and are dangerous for fish safety.
- NO fishing from the Ski Boat Jetty.
- MINIMUM of 12lb mainline when Carp fishing. No Braided main line , only hook links , spods or markers
- NO fixed lead setups, All leads MUST pass freely! safety first, all rigs/setup must be safe. Regular checks WILL be carried out.
- All fish must be returned to the water as quickly as possible following capture.
- The use of sacks to retain fish is strictly prohibited.
- Floating retention slings only to be used for a very short period of no longer than twenty minutes to rest the fish and allow you to prep your weighing scales and camera. Anyone found to be breaking this rule with captive fish longer than twenty minutes without the fishery managers permission will be suspended

immediately from the club. If its caught at night, then photograph and return it at night, NO slings till the morning please.

- No rods to be left unattended at any time.
- When snag fishing PLEASE use common sense! Fish locked up and be ready to react quickly
- Alcohol only to be consumed in moderate amounts. Please try to be discreet, the Aquadrome is a family venue. Anyone deemed to be in an unfit state to fish will be asked to leave the venue.
- No bankside vegetation or trees should be cut; no swims should be modified without the permission of the fishery manager or Bailiff team.
- Please see the club rules for details of rules in regard to publishing photos and videos of the fish OR venue. We do operate a strict publicity ban! Permission MUST be obtained from the fishery manager and Committee before anything is published.
- Please see the separate club rules in regard to predator fishing.
